

1

Donne la mesure de l'angle FPA

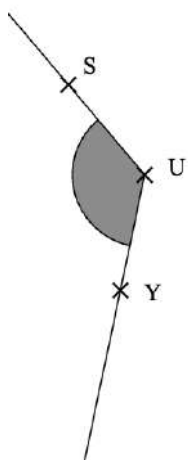

2

Donne la mesure de l'angle ZQX

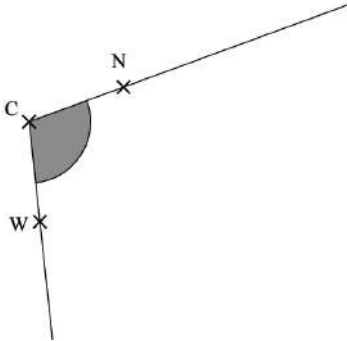

3

Mesure l'angle SUY

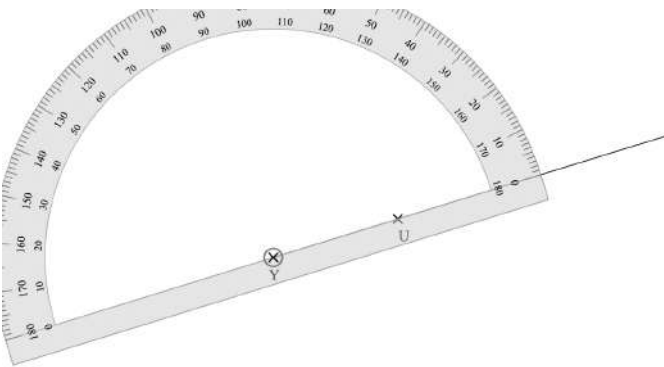

4

Mesure l'angle WCN

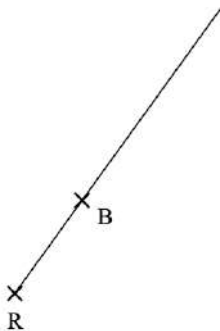

5

Surligne la graduation pour construire l'angle UYZ de mesure  $135^\circ$

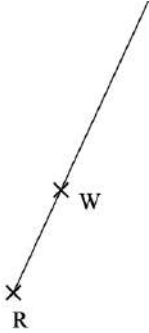

6

Construire l'angle BRJ de mesure  $59^\circ$

7

Construire l'angle WRY de mesure  $63^\circ$

8

Construire l'angle EQD de mesure  $51^\circ$
